BOARD OF SELECTMEN

We express our sincere appreciation to the town officers, members of committees and boards, and all employees for their dedicated service, and to our citizens for their cooperation and support this past year.

We have made every effort to stabilize the town tax rate over the last couple of years and I am very pleased to report that we've achieved this goal. The chart below illustrates the results.

	<u>TAX RATE</u>					
	<u>1991</u>		<u>1992</u>		<u>Change (91-92)</u>	
Town	5.83 (26%)		5.18 (23%)		↓ .65 (11%)	
School	14.63 (66%)		14.90 (67%)		↑ .27 (2%)	
County	1.80 (8%)		2.11 (10%)		↑ .31 (17%)	
	<u>22.26</u> 100%		<u>22.19</u> 100%			

1992 Tax Rate

□ Town
■ School
▨ County

Furthermore, we project that when the State sets our 1993 rate in October-November of this year, we will again experience a significant decrease in the town's portion of the tax rate.

I am particularly grateful to my fellow Selectmen as well as to our Executive (Town) Administrator for their hard work and concern for the people of Milton. Each of us share a sense of responsibility and commitment in making the Town of Milton an effective, quality community.

Special recognition goes to Selectman Paul Carlson for his diligent and devoted attention to duty. Our best wishes go with him and his wife, Agnes, as he steps down into what we hope is a long and active retirement.

Finally, a personal note for us all to reflect upon-

If we are truly going to improve our quality of life as a community, we need to pull together and look beyond rumor, personal opinion and bias, and seek out correct public information to pursue effective community problem solving. All of us will share in the results and the consequences. Let's begin a new venture and make a mutual commitment to take this necessary step to ensure that a superior and quality Milton takes shape as we prepare ourselves for the 21st Century.

Sincerely,
Joan Tasker Ball, Chairman
Milton Board of Selectmen

PLANNING BOARD

The present Milton Planning Board Members include Chairman Ronald Loiselle, Vice-Chairman Elizabeth White, Ex-Officio Rodney Woodill,, Treasurer Eugene Nute, Jan Nelson as the Clerk, and Edward Orlando. Alternates appointed to the Board are Patricia Watts and Louis Russo, Jr. The part-time Secretary for the Board is Deborah Sprague.

The Board has been busy this past year with Lot-Line Adjustments, Subdivisions applications, road issues, Excavation Permits, and Sub-division Revocations. Some developers have approached the Board about implementing "phasing" of their subdivision plans, as banks have become reluctant about issuing Letters-of-Credit for the purpose of bonding a project.

The Board has worked at length on granting "grandfathered" status to several of the excavation sites within the town. This was a learning process for many members, but all were genuinely interested in seeing the process through.

During this past year several seminars and training sessions pertaining to land use and planning have been available to members of the Board, which has kept them abreast of the ever-changing land use regulations within this State.

There have been several subdivision revocation proceedings in the past year that has required a lot of input and energy from the Board Members. The legalities of a subdivision revocation are ongoing at this time, but the Board feels it has made the right decision in order to protect the town's best interests.

The Planning Board came in under Budget for the 1992 Fiscal Year. The Board has hired a part-time Secretary to attend to correspondence and Public Hearing Notices along with numerous other duties. At present the Board is working on an Updated Community Survey, updating the Master Plan, implementing road assessment fees, and working with the residents of L.J. Gregor Drive on a betterment assessment plan.

The Planning Board Office is open on Tuesdays and Thursdays from 9:00 AM to 12:00 PM If you have any land use and planning questions, please feel free to call. We invite you to attend our meetings any first, third or fourth Tuesday of the month at 7:00 p.m.

We continue our pledge to work with the best interests of the Town of Milton in mind and thank you for your continued support of our functions within the town.

Your Planning Board Members

MILTON POLICE DEPARTMENT

I would like to thank the people of Milton for their support of the Department during my term as Chief. 1992 was a busy year for the Milton Police Department. We were able to take over a quarter of a million dollars worth of drugs out of circulation with your help. Through numerous investigations we were able to recover a substantial amount of stolen property and dismantle several groups of organized theft and burglary rings.

The Department was instrumental in organizing several new community service programs to better serve you. We're very proud of our Explorer program, which works with the youths in town and is considered one of the largest and most successful in the State. Safe House and Tip Line are two other cutting edge programs that we are establishing, and will be in place by March, 1993. The Safe House Program is aimed at providing a safe haven for children and the Tip Line will open a line of direct contact 24 hours a day, 7 days a week for you to leave anonymous information to assist us in our effort to better serve you.

With your support, we look eagerly forward to the challenges of 1993.

Stephen P. White
Chief of Police

MILTON EMERGENCY AMBULANCE

The Milton Emergency Ambulance responded to 185 calls for Service in 1992.

155	Trips to Frisbee Hospital
6	Trips to Wentworth-Douglas Hospital
<u>2</u>	Trips to Huggins Hospital
188	Total

Of these 185 rung, we provided Mutual Aid to:

20	Calls to Rochester
21	Calls to Farmington
13	Calls to Lebanon, Maine
1	Calls to Middleton
1	Calls to Wakefield

The Milton Ambulance is classified as a Basic Life Support Ambulance and we feel it is important that everyone understands the difference between a BLS Ambulance and an Advanced Life Support Ambulance (ALS). ALS Ambulances carry a larger amount of life support materials mainly in the form of drugs and are staffed with at least one Paramedic on duty at all times. This is why at times you may see our ambulance parked on the side of the road with the Rochester Ambulance. It's in cases like these where minutes do count and we have no reservations in calling in this A.L.S. service.

As always, I would like to thank the dedicated members of this service for making it the great service it is. We are always looking for new members to join us. If you are interested, feel free to contact any Milton Fire Officer.

Respectfully Submitted,
John L. Gilman, Chief

ECONOMIC DEVELOPMENT COMMITTEE

The Milton Economic Development Committee held regular monthly meetings, making 1992 a busy year with several notable accomplishments.

Letters were sent to approximately 50 businesses, in an effort to inform them of the availability of the land designated as the Milton Industrial Park. Committee members renewed ties with the State Economic Development representatives in Concord.

Signs were commissioned for both entrances to the Industrial Park land to advertise its availability, made possible by a trust fund established in the 1970's. A ribbon cutting ceremony was held on June 23, as a symbolic gesture of the commitment to economic development in the Town of Milton.

Barry Keith Associates was contracted to conduct a selective timber harvest at the Industrial Park site. This resulted in a total sum of \$15,163.40 realized from the harvest, with Mr. Keith paying out \$4196 in operating expenses for preliminary road work at one entrance to get the logging equipment on-site. Net revenues turned into the town totaled \$10,967.40

Goals for 1993 include marketing the Industrial Park property through advertising. The Committee's main objective is to expand the town's tax base and employment opportunities for the benefit of the people of Milton.

ZONING BOARD OF ADJUSTMENT

Since the town adopted the zoning ordinances and the Boca Codes, the ZBA (as we are known) has been quiet. We still meet on the first Wednesday of the month if we have business to conduct. What people don't realize is that they cannot come before the Board unless they have been referred to us by a letter from either the Planning Board or the Board of Selectmen.

Our Board consists of five members and two alternates. We are becoming elected officials as are other boards in the town. We are assisted by our secretary, Marilyn Pike, Strafford Regional Planning, town attorney, and the state Municipal attorney.

We cordially invite you to attend our meetings at any time.

Betty-Mae Russo, Chairman

CONSERVATION COMMISSION

The Conservation Commission was re-activated in October 1991 due to the necessity generated by the New Hampshire Lakes Lay Monitoring Program at Milton.

1992 was the first full year back in session for the Commission. It was a year of organization, education and work. During the year a file cabinet was purchased, allowing the commission to organize its files and records. Regular monthly meetings were held. Three members attended workshops and seminars. Many applications were reviewed and many sites were inspected.

It is without doubt that the Commission has had a positive impact on the community and it's environment.

Respectfully submitted,

Normand E. Theberge Chairman

NEW HAMPSHIRE LAKES MONITORING AT MILTON

This program is a child of the Conservation Commission and has grown from ten interested citizens to twenty five in this past year. This group has volunteered both time and money to make this program a success. During this year we were able to conduct the required ten weeks of testing, thanks to a group of highly motivated and concerned individuals.

This program is of great value to the community because of the information it provides us about the quality of the water of Milton's three ponds. In order for this program to prove its worth it must be conducted for a sustained period of years.

Normand E. Theberge Member

TOWN BEACH REPORT

The Milton Town Beach enjoyed another successful season in relation to swimming lesson participation. More than one hundred children took part in this year's program. Children as young as age four have an excellent opportunity to learn to swim under the guidance of superb swimming instructors. All Milton residents are encouraged to take advantage of this unique opportunity.

Revenue was down for the 1992 season, due in large part, to the rainy weather. Many weekends, as well as the Fourth of July, were overcast, cool, or rainy. Due to budgetary restraints we were unable to order new picnic tables to replace the tables that are beyond repair. This is an area that needs to be addressed in future budgets.

Philip M. Mollica

MILTON FREE PUBLIC LIBRARY

Once again, the trustees are pleased to report another dynamic year at the Milton Public Library. Due to the extreme generosity of townspeople and area businesses, hundreds of hours of volunteer efforts have transformed the Milton Mills Schoolhouse into an efficient, working library. Reluctant as we were to leave the Remick Memorial Building, our collection had literally outgrown the available floor space. In fact, a good percentage was actually occupying the floor space, creating a safety and fire hazard, as well as presenting difficulties in locating requisite books. In addition, we were in serious non-compliance with state and national statutes regarding accessibility for the elderly and handicapped. We had no lavatories, no fire exit and no room for wheelchair clearance between the bookcases.

At the new building, our floor space to house the collection, with easy access for all, grew from 600 square feet to 1000 square feet. We now have a lavatory, the delineated clearance for wheelchairs and a large conference room on the second floor for club meetings and presentations. We also have off street parking, so that small children do not have to pass between parked cars to cross the street just beyond a blind curve. This will help alleviate the concerns of many parents about allowing their children to walk to the library. Already, the new facility has met with unsurpassed use. We're assured that the patronage and circulation for 1993 will exceed all expectations.

We would like to extend our heartfelt thanks to the dozens of volunteers who made this move possible. Without their sweat equity the project would not have succeeded. We would like to thank our generous contributors who donated close to \$6000.00, enabling us to sand and polyurethane the floors, paint the interior walls and woodwork and build new bookcases. Local craftsmen, from carpenters to plumbers, donated hours of skilled labor to renovate the downstairs rooms of the schoolhouse into an open concept facility. Most of all, we must commend the unstinting generosity of our librarian, Nan Soule, and her family for their countless hours spent unpacking, sorting, shelving and organizing thousands of books. Nan has also decorated the library to impart a warm, friendly yet informative atmosphere.

This year the trustees and Friends of the Library will concentrate their efforts on developing programs of interest for the community. These include adult education classes, such as CPR, Personal Finance and crafts. Our children's programs will continue with story hours, the summer reading program and career education presentations for teenagers. The library will also serve as an educational resource base for the growing number of home schoolers.

Any and all volunteers will be warmly welcomed in implementing these programs. If you have a skill, craft or time that you would like to share with the community, please contact the library. We want to address the needs of our children, teenagers and adults, so that the Milton Public Library is the resource center for our town.

PLAYGROUND COMMITTEE

The Milton Elementary School Playground is still progressing. Last year the Playground Committee applied for federal grant funding through the Department of Resources and Economic Development for over eleven-thousand dollars. The grant was finally approved this year (in the late fall). All work on the playground had been stopped until the grant funding was officially approved due to the grant requirements. Fundraising had continued, however, as we had to match the eleven-thousand dollars with our own funds. Our goals have almost been met, though we will continue to work on more fundraising during the year.

Phase II was started immediately upon the grant approval. The playground structures next to the school were removed, the play area was leveled and structures were replaced. In addition, the structures which came from Milton Mills (and were in storage) were used and a brand new swingset and balance beam were added. Pea stone (a rounded, non-compacting stone) was spread throughout the area as a highly-rated cushioning material. The pea stone has improved the drainage, greatly reduced the amount of sand being tracked into the school, and helped eliminate the "cat problem".

Because of the approaching winter weather, work had to be halted at that point. This spring and summer, the remainder of the play area should be completed with functional landscaping to fix the slope, fencing and benches and tables installed. A half-size basketball court will be paved and the ball field backstop and fencing will be installed.

Though the work is not complete, the children have been able to use the playground equipment a lot this fall. In addition, the ball field has been used for gym activities (both elementary and high school), soccer and recreation programs, and scouting activities. The skating rink has again seen a successful year and plans have been made to make the skating rink a part of this year's Winter Fun Day.

WASTEWATER DEPARTMENT

The wastewater plant treated 17,588,000 gallons of sewage at an average daily flow of 48,200 gallons. The biochemical oxygen demand (BOD) removal efficiency averaged 91% and the suspended solids (S.S.) removal efficiency averaged 89.4%. The minimum standard is 85% removal so the plant has done very well. All equipment is operational and in excellent operating condition.

It was decided to replace the aeration tubing in Lagoon #1 and Lagoon #3 after observing the changes made to Lagoon #2 last year. The air pattern was excellent, the moisture blowoffs were working well and the backpressure was reduced. Lagoon #3 was done in house and Lagoon #1 was done professionally due to the large size. The patterns are excellent and the backpressures have been reduced approximately 32% and will result in lower operating costs. This will pay for the changes in a short period of time. We also replaced 400 ft. of gas tubing to Lagoon #2 that had a leak in it.

Equipment was added to the well water system to adjust the pH which will help the iron removal system. The iron removal system operates best at around 7.0-7.2 pH and the well water was well under this resulting in less than optimum removal efficiencies.

STRAFFORD REGIONAL PLANNING COMMISSION

SRPC is a public agency responsible for coordination of municipal, state, and federal planning activities in Strafford County and portions of Rockingham County, New Hampshire. Fifteen of 16 municipalities in the region are currently SRPC members.

In 1992 SRPC's efforts were focused on several major projects: the redevelopment of Pease Air Force Base, regional economic development, and metropolitan transportation planning. Since early 1992 SRPC has been working with consultants for the Pease Development Authority (PDA) and with the Rockingham and Southern Maine Regional Planning Commissions on the development of a Seacoast traffic model. SRPC is the lead planning agency of the Seacoast Metropolitan Planning Organization (MPO), which is responsible for conducting air quality assessments and coordinating transportation planning activities for the Seacoast area. SRPC also conducts operational planning for the COAST bus system.

In July 1992 SRPC published an Economic Profile for the Seacoast area, which is being used by the PDA and local economic development officials to promote the area. The profile contains economic and demographic data for the Portsmouth-Dover-Rochester metropolitan area and detailed profiles of 12 industrial parks in the Strafford region.

SRPC continued the development of a regional Geographic Information System (GIS) in 1992. In June 1992 we completed an update of our regional GIS coverage on existing land use. This information has subsequently been used in two Pease-related consultant studies: the Part 150 Noise Study and the Pease Surface Transportation Master Plan. In addition to its regional applications, the data is used to produce existing land use maps of each of our towns.

In 1993 SRPC will be completing a regional base map on the GIS which contains most of the data portrayed on standard USGS topographic maps (7.5 minute quadrangles). We are also producing wetlands and developability maps for towns based on Soil Conservation Service (SCS) soil survey data and mapping various pollution sources in the region.

Beginning in 1993, SRPC will be expanding its transportation planning activities for the Seacoast MPO to include our rural communities as well. The Commission is forming a Rural Transportation Committee comprised of SRPC representatives from our 10 rural towns to provide direction on rural transportation issues.

More information on recent and upcoming work on the Strafford Regional Planning Commission can be obtained from your town's representatives to SRPC.

RURAL DISTRICT VISITING NURSE ASSOCIATION

Dear Taxpayer,

Rural District Visiting Nurse Association appreciates your ongoing support and is pleased to continue to serve you as Milton's Certified Home Health Agency. We provide your town with such services as: skilled nursing, rehabilitation services, home health aides, homemakers, adult health screenings and maternal child health programs.

Our staff has grown and the level of Hi-tech services provided in the home has increased. We have formed new affiliations for Certified Hospice Care, and will soon have a new office with clinic facilities in Farmington. All our changes are to better serve you or your neighbors in health maintenance and/or restoration.

If anyone has any questions or concerns regarding our organization or services, please give us a call at 755-2202, we would be happy to talk with you.

As you can see, Rural District Visiting Nurse Association has increased our visits and services while we are again reducing our request for municipal support by \$3,587.00 to \$5,640.00 in 1993. Because of the reduction in our request, we are asking for private donations or memorial gifts. These can be sent to RDVNA, PO Box 667, Farmington, NH 03835.

We would like to express our appreciation to Mary Kibbe and Ruth Mersereau for the generous donation of their time and talent in serving on our Board of Directors and thank you for your continued support of our services.

Respectfully Submitted,
Linda Hotchkiss, RN, BS
Executive Director RDVNA

HEALTH OFFICER

Due to the relatively less than normal rainfall and snow runoff in the Spring of 1992, fewer complaints were received concerning septic system failures.

I responded to 35 calls of various nature through on the job inspections and many others by letter or telephone.

With more restrictive measures for recycling instituted at the Town landfill, more illegal dumping of trash along our roadways, an increase in complaints in this regard have been received.

To maintain a healthy environment we need to refrain from keeping rubbish and garbage in our yard, not only for reasons of health but also for consideration of our neighbors as well.

"Junk Yards" in our community is also of concern to the health and safety of our residents and needs to be addressed by the board of health and code enforcement officer.

In order to more fully keep up with new rules and regulations, I have attended the Health Officers Association meetings and seminars. To insure compliance with orders or instructive actions I may take (and forward in writing) many repeat inspections as necessary.

I make great emphasis on dealing with residents, with courtesy and respect and as expeditiously as possible try to answer all of your complaints and concerns.

Thank you for allowing me to serve as your Health Officer.

Respectfully

Paul V. Carlson, H.O.

HIGHWAY DEPARTMENT REPORT

Your highway department has been busy during this year. We have tried to keep all our equipment and vehicles serviced and in operating condition, including the police cruisers. We have done our best to resolve all problems and complaints. Here is a list of a few of the things we have tried to accomplish:

- Kept culverts cleaned.
- Renovated the town barn and other town buildings and properties.
- Cut trees and brush to keep roads opened and passable.
- Plowed and sanded roads during winter storms.
- Posted many signs.
- Repaired and graded roads in town.

We also participated in a federal job training program for teenagers during the summer months.

We also have attended many seminars to try and educate ourselves, to do a better service for the towns people.

CAPITAL IMPROVEMENT PROGRAM (CIP)

A Capital Improvement Program (CIP) is a proposed plan of spending for capital items which is projected over a period of years. The purpose of the CIP is to aid the Selectmen and the Budget Committee in their consideration of the annual budget.

A Capital Improvement Committee had originally formed in Milton in 1988 and began work on the CIP. The committee developed a CIP for a six-year time period. Work had stopped on the CIP for the last couple of years and a new committee has been formed. Inventories have been gathered and compiled of all capital items already existing in each of the town departments. Each department has projected its capital expenses for the next ten years and these anticipated expenses have been compiled in the CIP. The CIP was then brought to the Selectmen and the Budget Committee for approval and will be part of the annual Town Meeting warrant.

The definition of a capital improvement is a non-recurring major expenditure for public facilities costing more than \$5,000 and considered beyond the scope of normal operating expenses including land, buildings and renovations, vehicles, and road work. Advance scheduling of municipal projects allows the town to schedule costs over a period of years, thereby avoiding wide fluctuations in the tax rate. The CIP furnishes a total picture of Milton's major needs, discourages piecemeal expenditures, and serves to coordinate the activities of various departments. It is used in conjunction with the town's Master Plan and should be updated annually so that it remains current.

TREASURER'S REPORT

My goal for 1992 was to fully utilize the existing computer capabilities in the town office to provide timely financial information needed by the selectmen and department heads.

I'm pleased to report that we have met that goal. We are printing payroll and accounts payable checks through the computer. These transactions are automatically transferred to a general ledger program. We can print monthly and year-to-date reports showing income, expenses, and comparisons to budget. The department heads have come to look forward to these reports to help them manage their departments.

After taking office in March, I became aware of a second major issue. The town often had more than \$100,000 in one bank account, over the amount that would be covered by the FDIC in the event of a bank failure. Working with Farmington National Bank, we were able to have them put \$750,000 of securities on deposit with the Federal Reserve Bank. These securities would be available to the town as collateral for amounts on deposit in the event of an (unlikely) bank failure, covering our account fully for up to \$850,000 on deposit.

I continue to look for ways to improve efficiency and provide detailed financial information to the selectmen and department heads. I appreciate the changes that everyone has absorbed in 1992 and hope that the benefits are just beginning.

Respectfully submitted,

Faye Doria

b) Strafford Hospice Care Inc. - 3,402.00

BY SELECTMEN NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 19. To see if the town will vote to authorize the Conservation Commission to retain the unexpended portion of its annual appropriation, said funds to be placed in a special Conservation Fund in accordance with RSA 36-A:5. BY SELECTMEN

ARTICLE 20. To see if the town will vote to authorize the Selectmen to accept the dedication of any street shown on a subdivision plat approved by the planning board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their designee. BY SELECTMEN

ARTICLE 21. To see if the town will vote to authorize the Selectmen to convey any real estate acquired by the town by Tax Collector Deeds. Such conveyance shall be by deed following a public auction or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80. BY SELECTMEN

ARTICLE 22. To see if the town will vote to authorize the Library Trustees to apply for, accept and expend, without further action by the town meeting, money from state, federal or other governmental unit or a private source which becomes available during the fiscal year, in accordance with RSA 202-A:4-C. BY SELECTMEN

ARTICLE 23. To see if the town will vote to accept the Milton Mills Elementary School building and grounds for use by the Milton Public Library contingent upon approval to convey title of the property to the Town of Milton being given by an affirmative vote at the Milton School District Meeting to be held on Saturday, March 27, 1993. BY SELECTMEN

ARTICLE 24. To see if the town will vote to increase the number of Milton Public Library Trustees from three (3) to five (5) members. BY SELECTMEN

ARTICLE 25. To see if the town will vote to accept title to the Water Precinct Building deeded to the town of Milton, dated September 21, 1990, and recorded October 2, 1990, at the Strafford County Registrar of Deeds in Dover, NH, and, as authorized by the Water Precinct District at their March 17, 1990 Annual Meeting. BY SELECTMEN

ARTICLE 26. To see if the town will vote to eliminate the position of an elected Milton Mills police officer. BY SELECTMEN

ARTICLE 27. To see if the voters of the town of Milton wish to make the position of chief of police appointed rather than elective. BY PETITION.

ARTICLE 28. To see if the town will vote to appropriate the sum of up to \$125,000, for the purpose of engineering, road construction and related grading and improvements in the Milton Industrial Park; the entire amount to be raised from the sale of lots at said site, and no portion thereof to be raised from taxation. It is the intent of the Selectmen and the Economic Development Committee to place any unexpended surplus funds into a Capital Reserve Fund in the year 1994 and to designate the Selectmen as agents to expend these funds. (The Economic Development Committee intends to continue development from lot resources and not from tax revenue.) BY PETITION. NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 29. That the town grant a bond of \$11,535.00 to the residents of the development known as Briar Ridge for the purpose of adding 2 turn-around areas to the road known as L. J. Gregor Drive. The bond will be repaid to the town by means of special tax assessment to the Briar Ridge residents. BY PETITION. NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 30. To see if the town will vote to raise and appropriate the sum of \$5,700.00 for road repairs to Kingsbury Drive Association. Petitioners ask the town to reappropriate this sum which was approved in a 1987 town meeting. BY PETITION. NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 31. To see if the town will vote to eliminate the position of town administrator (executive administrator) and replace this position with an administrative assistant to work part-time during daily business hours (Monday-Friday) up to twenty-four (24) hours per week at an hourly rate not to exceed fourteen dollars (\$14.00) or a total of seventeen thousand five hundred dollars (\$17,500.00) annual salary. Said position of administrative assistant is to be pursuant to New Hampshire RSA 41:2 and in accordance with job description guidelines for this position as set in the town official's handbook by the New Hampshire Municipal Association. BY PETITION.

ARTICLE 32. To see if the town will vote to rescind the position and funding of the executive administrator as of April 1, 1993. BY PETITION.

ARTICLE 33. To transact any other business that may legally come before this meeting.

TOWN MEETING - SECOND SESSION**March 14, 1992**

The annual Town Meeting (Articles of Business in the Warrant) of the legal voters of the Town of Milton was held at the Nute High School Auditorium on March 14, 1992. Moderator Victor Joos called the meeting to order at 1:00 pm. Moderator Joos told where the Warrant had been posted -- Milton and Milton Mills Post Office, Nute High School and the Town Office; followed by the Pledge of Allegiance to the Flag and the playing of the National Anthem. The Budget Committee, Selectmen, Town Administrator, Town Clerk and Deputy Town Clerk were introduced. Selectwoman Joan Tasker Ball presented a plaque to Ron Corson, Public Works Director, for his many years of service to the Town of Milton. The Trustees of Trust Funds were thanked for their generosity in enabling the Town to purchase portable voting booths. A moment of silence for Warren Swope, Richard Kibbe and Leslie Chase was observed. Moderator Joos noted a correction on Page B of the Warrant (in the Town Report) -- under Culture & Recreation -- it should read \$26,000.00 NOT \$6,000.00. A brief explanation by the Moderator of the rules governing the meeting and stating that amendments on anything would be allowed if it did not change the intent of the article. Moderator Joos next read the Warrant. Carol L. Martin, seconded by Virginia Banks, made the motion to dispense with the reading of the entire Warrant. Motion carried. It was announced that Cablevision would videotape the meeting. Moderator Joos next explained that non-residents would be allowed to speak. Recount of the election held on March 10, 1992 would be held on Tuesday, March 17 at 6:30 pm at the Town Office.

ART.4. Selectwoman Joan Tasker Ball, seconded by Selectman Paul Carlson, made the motion to raise and appropriate the sum of \$1,359,570.00, which represents the 1992 Selectmen Recommended operating budget found in column three of the posted budget (MS-7). Said sum is exclusive of all special appropriation articles addressed. The Budget Committee's Recommended 1992 operating budget of \$1,290,437.00, appears in column four of the posted budget (MS-7).

Such conveyance shall be by deed following a public auction or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80. Motion Carried

ART. 23 Selectman Douglas Shute, seconded by Selectwoman Joan Tasker Ball, made the motion to adopt the provisions of RSA 72:1-c which authorizes any town or city not to assess, levy, and collect a resident tax. Card vote taken. YES 59 NO 88 Motion denied.

ART 24. Selectman Paul Carlson made the motion to authorize the Board of Selectmen to sell and convey lots in the Milton Industrial Park on such terms and conditions as they deem in the best interest of the town, seconded by Selectwoman Joan Tasker Ball. Thomas Peterson, seconded by Craig Lancey, made the motion to amend the article by eliminating the words "LOTS IN". Amendment denied. David Mattair, seconded by Elaine Ling, made the motion to table indefinitely. Motion to table indefinitely denied. The main motion carried.

ART. 25. Selectman Paul Carlson made the motion to authorize

the Board of Selectmen to conduct a timber management cut in the Milton Industrial Park on such terms and conditions as they deem in the best interest of the town, seconded by Selectwoman Joan Tasker Ball. Motion carried.

ART. 26. Selectman Paul Carlson, seconded by Selectwoman Joan Tasker Ball, made the motion to adopt optional adjusted elderly exemptions from property tax. The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years - \$25,000.00; for a person 75 years of age up to 80 years - \$37,500.00; for a person 80 years of age or older - \$50,000.00. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000.00 or if married, a combined net income of less than \$12,000.00; and own net assets not in excess of \$45,000.00 to \$50,000.00 excluding the value of the person's real estate. Ballot vote taken. YES 109 NO 18 Motion carried.

ART. 27. "Poochie" Tanner, seconded by George Banks, made the motion to adopt the provisions of RSA 31:95-c to restrict the revenues from the Milton Town Beach to expenditures for the purpose of operation, maintenance and capital improvements. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Milton Town Beach Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. Ballot vote taken. YES 44 NO 63 Motion denied.

ART. 29. "Poochie" Tanner, seconded by Mike Smith made the motion to exempt all town and school buildings from the sewer user fees. Bob Taatjes, seconded by Gary Burke, made the motion to postpone indefinitely. Motion to postpone indefinitely carried.

ART. 30. Selectwoman Joan Tasker Ball made the motion to authorize the Board of Selectmen to adopt an ordinance governing the consumption and possession of alcoholic beverages (as defined in RSA 175) on any public sidewalk or municipal parking lot within the limits of the town of Milton and in any park, recreational, or rest area within the limits of the town of Milton; and to establish a penalty of \$100.00 for persons found guilty of violation of these ordinances, seconded by Selectman Paul Carlson. Motion carried.

ART. 31. "Moe" Martel, seconded by Mary Kibbe, made the motion to adjourn. Motion carried. Moderator Victor Joos declared the meeting adjourned at 6:10 pm.

SPECIAL TOWN MEETING

October 24, 1992

A special town meeting of the legal voters of the town of Milton, New Hampshire was held at Nute High School on October 24, 1992. Moderator, Victor Joos, called the meeting to order at 1:02 PM, followed by the pledge of allegiance to the flag by all. Carol L. Martin made the motion to dispense with the reading of the warrant, seconded by Virginia Banks.

Article 1. Phil Bean, seconded by Elinore Dame, made the motion to raise and appropriate the sum of \$20,000.00 to demolish and dispose of the remaining structures, known as the Greene Tannery, located on Water Street. This needs immediate attention as it is both dangerous and hazardous to the residents of Milton Mills and a potential accident waiting to happen. (by Petition - Not recommended)

Scott Berry made this motion to table Article 1 and go on to Article 2 at this time. Seconded by Elinore Dame. Motion carried.

Article 2. Ronald Loiselle made the motion to raise and appropriate the sum of \$30,000.00, seconded by Elinore Dame. The purpose of this money is for the demolition and disposal of hazardous and dilapidated structures at the Greene Tannery site in Milton Mills. (recommended by the Budget Committee) Motion carried.

Selectman Rodney Woodill made the motion, seconded by Selectwoman Joan Tasker Ball, to move the question. Motion passed.

A petition was given to Moderator Joos to have a secret paper ballot.

Frederic Russell made the motion to overrule the Moderator and have further discussion on the Article, seconded by Phil Bean. By card vote the results were: Yes 44 No 31 motion carried.

Andy Lucier made the motion to move the question, seconded by Ronald Loiselle. Motion carried.

By secret paper ballot the results were: yes 74 no 36 motion to raise and appropriate the sum of \$30,000.00 for the purpose of demolition and disposal of hazardous and dilapidated structures at the Greene Tannery site in Milton Mills carried.

Ronald Loiselle, seconded by Carol L. Martin, made the motion to adjourn. Motion carried.

Meeting declared adjourned at 1:50 PM by Moderator Joos.
